## GIVE HOPE. CHANGE LIVES.

On Jan. 25, 2023, 313 people in Virginia Beach were identified as experiencing homelessness during the annual Point-in-Time (PIT) Count -- an 11% decrease from last year. The PIT Count provides a snapshot of the number of people who were experiencing sheltered and unsheltered homelessness during a 24-hour period.

VB Home Now is committed to supporting and enhancing our community's system of services, programs and facilities to make homelessness rare, brief and nonrecurring in Virginia Beach. **Since its inception in 2017, our foundation has invested more than \$695,000 toward programs and services that support households in obtaining or sustaining housing.**

Your participation in the 8th Annual VB Home Now Golf Tournament on Monday, Oct. 30, 2023, will make a significant contribution in the lives of our most vulnerable neighbors. With your generous support, together we can continue to prevent and reduce the number of people experiencing homelessness in our community.
